

The Southborough Open Land Foundation presents:

ALL ABOUT BEAVERS!

With Mike Callahan of “Beaver Solutions”

-Working With Nature-

Tuesday February 23rd, 7:00 pm

Southborough library, 25 Main Street

The beaver population in our area is growing rapidly and there are now numerous colonies right here in Southborough!

If they begin to flood our property, what can we do?

-Is trapping legal?

-Can we take them somewhere else?

-Are there other options?

Come to this fascinating presentation to learn all about beavers and ways to manage beaver problems.

THIS PROGRAM IS FUNDED BY A GRANT FROM
THE SOUTHBOROUGH COMMUNITY FUND.
